

PRACTICE MANAGER

NEODENT

A Complimentary Offer from Neodent + ePractice Manager

ePractice Manager specializes in customized consulting and training for dental practices. With decades of experience and a proven track record, they help dentists reduce the day-to-day management burden and focus on patient care.

We've partnered with ePractice Manager, one of the nation's leading dental consulting firms for general dentists. As a valued Neodent client, you're invited to receive a complimentary consultation to address key challenges that impact your practice's growth and efficiency, such as:

- **Increasing practice profitability**
- **Improving case acceptance**
- **Strengthening staff retention & management**
- **Attracting new patients**
- **Streamlining scheduling and workflow**
